COLLECTION: Signature Metropolitan

DIMENSIONS: 28W x 33.5D x 30.5H

The designer created a perfect scale model to refine the details of this sleek modern chair, poised to make an unforgettable statement in a Tungsten finish. Architecturally inspired, its curvilinear form is meticulously crafted from a series of tubular metal spokes radiating from a sturdy, yet elegant hoop frame. Igniting and inviting: a channel-tufted back and rounded seat in a platinum-toned, embossed fabric with the luxe look and feel of leather.

CONSTRUCTION: Plush poly foam cushion.

FINISH:

Tungsten
